

EU-PolarNet

EUROPEAN POLAR BOARD

Networking from pole to pole: facilitating access for research and infrastructures

Side event to the All Atlantic 2021 conference

Date and time	2nd June 2021, 1400 – 1600 UTC
Registration	https://us02web.zoom.us/meeting/register/tZYvfuqspzwiGdbU1YWtuBvjpSjEI6M5uSid
Time:	14:00 -16:00 UTC
1400	Welcome by the organisers (R. Badhe (EPB) and N. Biebow (EU-PolarNet 2))
1405	Introduction to the Polar Research Programmes of the All-Atlantic partners: (10 min presentations) <i>Chair: N. Biebow (EU-PolarNet 2)</i> <ul style="list-style-type: none"> • Brazil: Jefferson Simões • South Africa: Marcello Vichi • Canada: Liisa Peramaki, Alain Dupuis • Europe: Renuka Badhe
1455-1500	Break (5 minutes)
1500	Best practise examples for cross-border access to infrastructures and sharing of logistics (10 min presentations) <i>Chair: R. Badhe (EPB)</i> <u>Setting the scene:</u> Recommendations from the EU-PolarNet Infrastructure White Paper: G. Vieira (IGOT, Portugal) <u>Arctic Examples:</u> <ul style="list-style-type: none"> • Cross-border access to Arctic icebreakers – ARICE: V. Willmott (AWI, Germany) • Cross-border access to Arctic research stations – INTERACT: M. Johansson (Lund University, Sweden) <u>Antarctic Examples:</u> <ul style="list-style-type: none"> • COMNAP Efficiency Task Force: Antarctic Peninsula: A. Quesada (MICINN, Spain)
1540	Group Discussion on challenges, best practices, and next steps to facilitate an All-Atlantic cooperation in Polar research and sharing of infrastructures and logistics. How should we move beyond the identified challenges to facilitate sharing of infrastructure and logistics in the polar regions?
